Hamlin FFA Gave Annual Banquet to Fathers, Others

The second annual banquet to be given by the Hamlin FFA was staged at the Morgan Hotel last Monday night. This feature of public school work is growing prominent, under the advisement of M. B. Templeton.

This year there were 105 in attendance and it was evident that the Future Farmers of America are growing, not only in physical size, but in capacity mentally and aggressiveness. Might also add here that their appetite has also grown too during the past year. Fine boys, like good calves, they grow strong and attractive by proper feeding.

The program for the occasion was interesting and enlightening.

Brookie Pitcock was toastmaster and the opening exercises of the chapter was under the direction of the President, Bob Gill. Other officers are J. R. Walton, vice-president; Bill Morrison, reporter; W. L. Hunter, treasurer; Frank Hillier, secretary. The creed was given this year by John Scarborough and the class report by Jack Kelley. The history of the organization was given by Lewis Tidwell.

The boys this year are pushing their work ahead of last year. They have 22 registered hogs on feed for show purposes and 35 grade hogs and 18 calves.

Others taking part on the program were Miss Mignon Waggoner, a high school junior and the FFA queen, and pianist. Class sweethearts were Misses Geneva George, Vicki Rhodes and Marjorie Riddle. Misses Lois McCoy and Lois Knight rendered special accordion numbers and Miss McCoy sang, accompanied by Miss Waggoner.

Among the several visitors, were such fellows as Tom Teague, J. E.

Moody and Joe Culbertson, all "boyless", who were named honorary members. This means that they may furnish dollars to the boys' work, when needed.

Tate May was also chosen an honorary member. He has money as well as a boy.

The general impression among fathers was that this kind of outlet for the energies of the young fellows is conducive to better citizenship and perhaps success as farmers in the future. Everybody believes that and are for bigger and better FFA enterprises in and around Hamlin.

PIPERS PLAYED HASKELL INDIANS

Not much has been heard about the football game, between Hamlin Pied Pipers and the Haskell Indians. This conference game was scheduled to be played in Hamlin, but for various reasons Hamlin yielded to Haskell and the game was pulled off in that city last Friday night.

A considerable number of Hamlin folks went over, but not so many as to the Stamford game. One of the noticeable features from Hamlin was the new uniforms of the Hi-Band. The new toggins look mighty good, and say, folks, did you know that Hamlin Hi has a dandy good band, already? Yes, sirc, it is making good and folks who hear them realize that we can justly crow over this addition to our town and school.

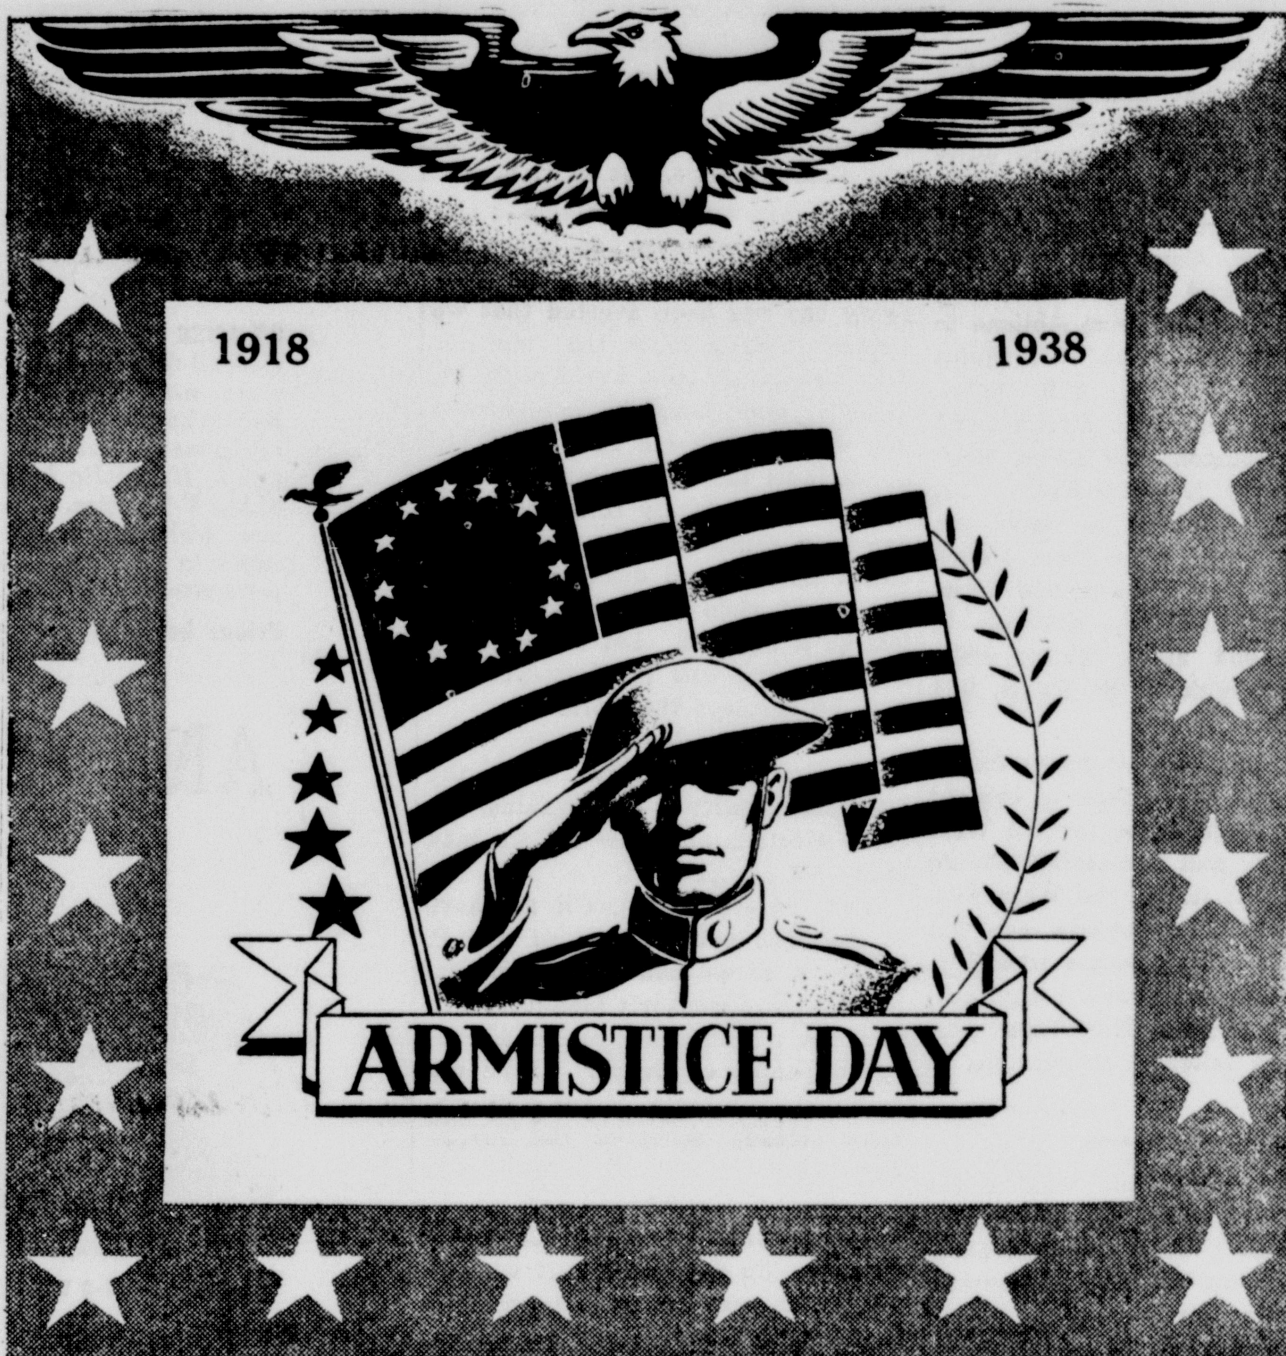

Now about that ball game. Haskell, as was expected, had a good time running over the Pipers. But the Pied Pipers gave them a scare in the first part of the game, but it did not last long enough. The fight ended with Haskell 37 and the Pipers 0. That's not so bad, Haskell beat Roby's brag team to a tune of about 74 or 84 to 0. Some of these days Hamlin's Pipers will beat the blankets off the Indians, if they keep on improving.

This Friday Hamlin is invading the wild precincts of Colorado. It being a holiday, perhaps quite a number of Hamlin cars will make the trip.

Watch for the date and have more fun than you have had in many a moon at the CAKE WALK.

Hamlin Will Be Quiet All Day This Armistice Day

Once again we pause in our uncertain rush to remember the "Day of Days" twenty years ago. Those were happy moments for us and for the world. Peace had at last come to the children of men, and the sound of the roaring cannon, and the whir of the deadly plane put to sleep, and at last we thought the "World was Safe for Democracy."

OLD MAN WINTER SLAPS OFF SUMMER

Yes S-I-R-E-E, Monday morning, November the 7th in the year 1938, a blanket of snow about one inch thick covered the Hamlin country. Grassy lawns, leafy trees and thinly clad humanity felt the sudden change from summer heat on Saturday before to a temprature below 32 degrees. Such is Texas.

The norther came down sometime Saturday night and with the overcast skies, and the howling winds all day Sunday, the whole picture had a winter background.

The coming of a solid blanket of snow in this section of the state before a real killing frost is not unusual. It has happened many times before, but this fall the snow came just a few days earlier than ever before. Well, do we recall that on November 11th about 1919 or perhaps 1920, the Hamlin ex-service men paraded in snowy slush on Hamlin's streets.

The small amount of snow over West Texas helped the "small wheat acreage." This moisture on top of the good rain that this country had last week. Right here the Herald will say that it underestimated the amount of rain here last week. Really it was nearer one and one-half inches than a "full half inch."

CIVIL SERVICE EXAMINATION

The local post office furnishes information that an examination for the purpose of selecting a substitute clerk for this office will be held at the office sometime in the future. All application blanks must be filed by November 23, by those desiring to take the examination.

Miss Eva Louise Fowler will spend Armistice day in Stephenville where she will visit her brother Robert who is attending John Tarleton college.

this sad old world has groped in uncertainty to recover from the nightmare of destruction. Do we have heart to continue that jubilation spirit that controlled back in 1918? Since then more hearts have ached because of after-war disasters, death, cripples, failures, and dismay.

Today may we bow humbly at the ELEVENTH HOUR and ask for Divine guidance in this day of fear and uncertainty? This is a day of memory should seal our hearts to fered in the line of duty. This memory should spur us to make new re-

solves to lend ourselves in the interest of peace, and justice to all men, in all nations . . . yet and yet, this memory should seal our heart to strive to make good that the WORLD IS MADE SAFE FOR FREE MEN, and if necessary to place ourselves on the altar of sacrifice for protection for innocent, helpless men, women and children. On this Armistice Day twenty years from a world disaster of war, we have much to be thankful for and yet plenty to think about to protect our country from a like catastrophe.

Gospel Meeting At the Church of Christ

EVANG. HORACE W. BUSBY

Evangelist Horace W. Busby of Fort Worth is returning again for a series of meetings at the Church of Christ beginning Friday evening, Nov. 18th, and running through Sunday, Nov. 27. Week day services will be at 4:15 and 7:00 P. M.

A special feature of the meeting will be on Thanksgiving Day, when we shall have three services and a basket lunch. Visitors from a number of surrounding towns are expected. Congregational singing will be stressed throughout the meeting and singers have a special invitation to all services.

Brother Busby's pleasing personality and his sincere conversational style of speaking has endeared him to all who have heard him. Regardless of Faith you will appreciate his discussion of Bible subjects.

Virgil W. Jackson, Minister.

The McCaulley news letter is vacant this week owing to the fact that the correspondent, Rev. John P. Hardesty, is in Dallas attending the Baptist State Convention. He is mixing the convention with a visit with some of his children who reside in Dallas.

HAMLIN HI FACULTY PLAY NEXT THURS.

(Nov. 17, 7:30 P. M.)

Come one, come all! To see and hear the Beantown Choir, organized in 1905. You have never heard any thing like it. Any member would put modern grand opera singers to shame. They are favoring Hamlin with their first appearance in the south.

But look out girls if you do not want to lose your man, handcuff him and throw away the key.

The "girls" of 1905, had your technique beat every way. The generous widow who devoted her life to making others happy, at the cost of Bethy, her step-daughter, and Hezekiah, the hired help, who loves Hepsy, but would bestow his affections on you, if you need cheering up.

Then the chorus of long ago, has come to life, with a number that your grandmothers will well remember. Grandma Howler is still sprightly and enjoying life. We cannot forget the men's quartet led by Bashful Bill.

Come and bring the family! Wives bring your husbands! Husbands bring your wives!

Boys bring your sweethearts! Girls bring your beaux.

Do not miss the grand performance at High School Auditorium, Thursday evening, Nov. 17, at 7:30 o'clock. This is sponsored by Hi School P.-T. A. The admission 25c for all adults, 10c for school children, 15c for all others.

The High School P.-T. A. will meet Thursday afternoon, Nov. 17, and all parents are urged to attend.

And they say it's hard times when we saw on one street in our town, Cash, Gold and Nichol-son.

See the girls of 1905, Nov. 17.

A PECULIAR PECULIARITY

One thing noticeable in nearly all small communities is that there is a great amount of jealousy. Just why one neighbor hates to deal with his near-by fellow citizen when the deal means a gain to the seller, is a peculiar twist of the mind. If it is a pair of sox one needs and the local merchant can furnish the goods at a small margin of gain, why withhold your patronage and contribute your purchase to a distant man who never did and never will do anything for you or your community? That situation does not make good sense. The fellow who sells below cost is showing poor judgment—the person who wants to buy and does not want a part of the purchase price to be counted profit for the deal, evidently is seeking something for nothing.

FIGURE THIS OUT:

This government doesn't like the dictator nations. And the dictator nations don't like us. That is the logical deduction from the President's recent anti-fascist speech, coupled with the State Department's blunt warning to Japan to respect American rights in China under the traditional 'open-door' theory. Newspapers in Rome and Berlin and Tokyo promptly branded us as warmakers, and denounced our great rearmament program.

This government is gravely concerned with recent developments. Japan, at the beginning of her Asiatic adventure, solemnly pledged maintenance of the open door policy. Apparently she had her fingers crossed. For that policy has been widely violated in fact—and so far as theory goes, a recent Nipponese announcement said, in effect, that Japan intends to dominate China, and that other interested powers can like it or lump it.

Still more important, possibly, from the long-term standpoint, is something on which this column has commented before—the nazi-fascist ambition to extend its influence in South America. It is reported that this government plans to establish a large radio station in the Canal Zone, from which to broadcast pro-American programs in an attempt to counteract the continuous pro-nazi programs that are broadcast from powerful shortwave stations in Germany. A major strengthening of Canal Zone defenses will in all probability be started soon. If ever we are attacked, military experts are coming to believe it will be from South America—where it would be a relatively simple matter for an ambitious foreign power to establish air, army and naval bases.

WHY THE FREIGHT RATES UNEQUAL?

The West Texas Chamber of Commerce is sponsoring a change in the freight rate structure for West Texas. Recently they sent out a booklet "The Hundred Million Dollar Penalty Against West Texas." After looking over that booklet we come to the conclusion that only warped minds in the first place could have ever set up such an unequal line of figures. Maybe WE do not understand just why, but there are some figures submitted, that don't look like good sense to us, but may be there is a reason. What the Chamber of Commerce is kicking about, why the reason for the people of West Texas to pay so much more than in other zones of the nation?

Before this paper goes any fur-

ther in this discussion, we wish to remind some of our friends that they "Cuss" Chambers of Commerce for this and for that and a thousand other things but such persons never stop to think that somebody must champion things for them. Now here is a sample of the rates that the Interstate Commerce Commission has set and its not something new either. Cotton from Abilene to Houston, 379 miles, \$.44; from Hope, Ark to New Orleans, 379 miles, \$.36. (Just why the difference?) Brady to Houston, 303 miles, \$.35; Shreveport to New Orleans, 307 miles, \$.28; Lubbock to Galveston, 525 miles, \$.35, while from Henrietta, Mo. to New Orleans, 900 miles, \$.31. IMPLEMENTS—Midland to St. Louis, 954 miles, \$1.11, while from Philadelphia to St. Louis, 961 miles, \$.70.

It does not require many examples to show that there is evident inequality in the rates for the West Texas zone, and something should be done about it. If the West Texas Chamber of Commerce can get the support of the people who ship, perhaps they will save many millions per year when West Texas people pay on mileage comparable to other zones.

"Nineteen-thirty-nine will be the best year for business and industry in a decade." That sentence accurately sums up the views of numerous economic forecasters today. In their opinion, the recovery movement, which was staggering and uncertain when it began seven or eight months ago, will continue to gain both in strength and velocity.

RED CROSS ROLL CALL

The annual Red Cross Roll Call starts Friday, Nov. 11th, and continues through Thanksgiving, Nov. 24th, 1938. Hamlin is a member of the Anson Chapter and the secretary of the Chamber of Commerce of Anson is handling the Roll Call there and has brought supplies to our office for Hamlin and a solicitation from our office here will be made during the days of the drive. Last year 94 memberships were sold in Hamlin, the money, which is a dollar per member, was sent to Anson and half of this amount was returned to Hamlin and was used during the year for charity in our own vicinity. There is still a small balance in the treasury from last year. Let every one who possibly can take at least one membership this year. If in any way you are missed during above date, if you will call at our office we will supply you with a membership button.

Points and Personalities

November 11—1918—Armistice—the end of the most disastrous struggle between the nations of the world—international agreements to establish peace and bring the world out of chaos. Let us pause and pay sincere respect to those who fought and died, we hope, not in vain.

More than ever before should this day strike deep into the hearts of people. So recently and so narrowly has war been averted that we shudder. Even now the monster War has armed the world with his hideous and horrible implements, and stands with his foot ready to crash down to send us into a bloodier and more deadly conflict. When one man takes treaties made between nations and disregards every agreement, then war is inevitable unless he is stopped. Let us pray and hope that he will be destroyed before he destroys the world.

Election reports show that the Democratic party is on the skids, but Lee's elected, and now all we lack is the old age pension.

Yep, before long, we'll all have to dust the cobwebs out of our P. O. boxes so we can get the invitation to the governor's inaugural ball that Lee's going to send to all the "good people of Texas." (We understand that some in our fair city have already accepted the invitation—?)

For a while, it looked as if we were on the skids, too, but we survived northers, car wrecks, and Halloween, and we're trying to scrap up some news to relay it on to you. Will appreciate your help.

And Halloween reminds us that we've heard more complaints and bad reports about spook night than in a long time. It seems that some people can't tell the difference between good clean fun and deliberate destruction of private and public property. If you're one of those, you'd better learn, because next time people tell us they're going to aim and shoot where they aim.

When a certain young man connected with a lumber company starts bringing his girl over from Rule to meet the family, then you had better listen for those familiar bells.

And the story is told that a government inspector, passing through Hamlin, noticed the way in which a popular young carpenter was working on the new Magnolia station across from the Herald office, and without further inquiry tacked up a WPA sign. (You bet Tom Holman got things straightened out in a hurry.)

We wonder how a well known man, who drives an early Buick, felt last week when he got in his car and backed out of the garage without opening the garage door?

Who is the popular young coach that calls his girl friend in Lubbock collect every Saturday night? (And they say those conversations go on for hours—)

About the brightest thing in town is a certain saleslady's new gold tooth—the result of a fall.

Much speculation is being made as to the reactions of an attractive young lady of Anson when a young lawyer friend went to see her and napped for only four hours in her best parlor.

WORKERS CLASS ENJOYS

SOCIAL AND BUSINESS MEET

The Workers Class of the First Baptist Church met at Mrs. W. C. Russell's, our teacher, for a business and social meeting last Thursday evening, November third. The rooms were attractively decorated with vases of chrysanthemums and bitter sweets.

Our social meeting began with an oyster supper. The plate consisted of oysters, congealed salads, tomatoes, crackers, cherry pie topped with whipped cream, and coffee. After the supper, Miss Hermona Shadle, our social chairman, entertained us with a question and answer game.

From our social meeting we went into our business meeting, with our class president Miss Ruby Thompson, presiding. Each officer gave a report of their duties.

Those enjoying the oyster supper and class meeting were: Misses Ruby Thompson, Hermona Shadle, Evalena Hunter, Imogene Howard, Willie B. White, Elva Greenway, Joye Graham, Virginia Jones, Geneva Albritton, and Mmes. W. L. Traweck, Cleve Dunn, and host and hostess, Mr. and Mrs. W. C. Russell.

METHODIST MISSIONARY SOCIETY

The women of the Methodist Missionary Society met in their church basement Monday, Nov. 7, at 10:30 to devote the day to the observance of "The Week of Prayer." Mrs. R. B. Wiar had charge of the program for the morning session. The funds contributed this year for the "Week of Prayer" go to China and The McDonald French Mission in Louisiana.

The subject of the morning program was "Building the New Earth." Those assisting Mrs. Wiar were: Mmes. Gardner, Clinton Barrow, Hanks, Roy Jones and Hackley. Mrs. Bill Rountree had charge of the music. A vocal solo, "My Task," was given by Mrs. McBride. The leader emphasized that the whole week be spent in earnest prayers for our

suffering missionaries and Christians in China, as well as the unfortunate and mistreated Chinese, during their long siege at the hands of the Japanese in war.

A lovely covered dish luncheon was served by the local committee of the society at 12:30.

The afternoon session was begun at 2 o'clock with the annual election of officers held at this time. Mrs. Herman McBride, president, called the society to order. After a business session the following officers were elected for the coming year beginning Jan. 1, 1939:

President, Mrs. Herman McBride; vice president, Mrs. Clinton Barrow; secretary-treasurer, Miss Eleanor Temple; corresponding secretary, Mrs. R. B. Wiar; treasurer, Mrs. Otis Hopper; local treasurer, Mrs. A. Hackley; superintendent of study, Mrs. Fred Carpenter; superintendent of publicity, Mrs. J. E. Moody; superintendent of supplies, Mrs. M. T. Hudson; superintendent of local work, Mrs. D. O. Sauls; superintendent of Christian social work, Mrs. Tom Teague; superintendent of children's work, Mrs. Dick Low.

The afternoon program of the "Week of Prayer" was led by Mrs. M. T. Hudson, assisted by Mmes. Fred Carpenter, Hopper, Lawlis and Rountree. The subject was "Entering Into the Fellowship of Suffering."

Mrs. Rountree gave the meditation on "Sharing the Suffering of Others." Silent prayers were asked by the leader and the closing prayer was by Mrs. Hanks. Mrs. McBride urged each member to be present Wednesday night at 7 o'clock for another program and that the members invite every one to come and take part with us.

The Wednesday night program was led by Mrs. Joe McCrary. Her subject was "Unrealized Goals." She was assisted by Mrs. Gordon Bennett. A duet, "My Prayer," was sung by Mmes. McBride and Rountree, accompanied by Miss Edwina Gilbert. An offering was taken covering each of the three programs for which the society is grateful.

Peace was stressed at each meeting and the need of prayer in these times of unrest for ourselves as well as war-torn Europe.

Supt. of Publicity.

OFFICERS ELECTED FOR BAPTIST CHOIR

The choir of the First Baptist Church which has been meeting for regular rehearsals under the direction of Mrs. W. C. Russell on Wednesday evenings for the past several months, was organized November 2 and elected the following officers:

Director, Mrs. W. C. Russell; president, Mrs. J. H. Littleton; vice president, Mrs. W. L. Boyd; secretary, Mrs. W. T. Traweck; librarian, Mrs. Grant Misner; social chairman, Mrs. Ira Clements; reporter, Clara Louise Shelburne.

Rehearsals will continue on Wednesday evenings from eight to nine o'clock. You are invited.

A number of the Herald subscribers are renewing these days and hardly a day passes but that new readers join our list. This means that the Herald goes into several hundred homes in and about Hamlin; so Mr. Merchant rest assured your message reaches those who buy.

John T. Day and daughter, Mrs. Garland Tumlin, left last Friday for Atlanta, Georgia, where Garland is taking hospital treatments. They arrived Sunday and found that Garland is getting along fairly well but still in a serious condition.

right. It is not even a question of how we may feel against our brother. If he has aught against us we are to do all we can to win him. He may be unreasonable, grasping, and unfair. However, the spirit that will win him is not that of retaliation or sullen submission to the inevitable, but rather a free and willing going even beyond what is required.

The full interpretation of this passage is not possible in our limited space. It is clear from other scriptures that it does not mean that wicked and unscrupulous men are to be permitted to defraud and destroy God's people. At the same time, we must not explain away the heart of our Lord's interpretation of this great commandment. Let us seek His grace that we may, like Him, silence by our loving deeds and words even the bitter gainsayers of the gospel.

Newspapers in Rome and Berlin and Tokyo promptly branded us as warmakers, and denounced our great rearmament program.

This government is gravely concerned with recent developments. Japan, at the beginning of her Asiatic adventure, solemnly pledged maintenance of the open door policy. Apparently she had her fingers crossed. For that policy has been widely violated in fact—and so far as theory goes, a recent Nipponese announcement said, in effect, that Japan intends to dominate China, and that other interested powers can like it or lump it.

Still more important, possibly, from the long-term standpoint, is something on which this column has commented before—the nazi-fascist ambition to extend its influence in South America. It is reported that this government plans to establish a large radio station in the Canal Zone, from which to broadcast pro-American programs in an attempt to counteract the continuous pro-nazi programs that are broadcast from powerful shortwave stations in Germany. A major strengthening of Canal Zone defenses will in all probability be started soon. If ever we are attacked, military experts are coming to believe it will be from South America—where it would be a relatively simple matter for an ambitious foreign power to establish air, army and naval bases.

WHY THE FREIGHT RATES UNEQUAL?

The West Texas Chamber of Commerce is sponsoring a change in the freight rate structure for West Texas. Recently they sent out a booklet "The Hundred Million Dollar Penalty Against West Texas." After looking over that booklet we come to the conclusion that only warped minds in the first place could have ever set up such an unequal line of figures. Maybe WE do not understand just why, but there are some figures submitted, that don't look like good sense to us, but maybe there is a reason. What the Chamber of Commerce is kicking about, why the reason for the people of West Texas to pay so much more than in other zones of the nation?

The Ford Motor Company Announces TWO NEW FORDS

HOW the RED CROSS SERVES the NATION

FLOOD HAVOC—Unprecedented rains brought dry river beds to flood stage in Southern California, and Red Cross aided thousands of persons whose homes were swept away, as shown here.

STAND BY FOR RESCUE—A trained First Aider in Red Cross Highway First Aid Station prepared to aid the injured.

A DAY BRIGHTENED—Red Cross nurse's visit to a shut-in brings healing touch.

A YEAR'S RECORD

July 1, 1937—June 30, 1938

Minor disasters were unusually frequent; 102 tornadoes, floods, and other catastrophes brought the Red Cross into action to feed, clothe, give medical care and rehabilitate 93,000 people.

War veterans and their dependents, numbering 220,000, aided during the year.

Men in the Army, Navy, Marine Corps and Coast Guard, numbering 35,000, helped in personal and family problems.

Safety in water sports, and first aid in accidents extended through training 82,000 Life Savers and 276,000 First Aiders. Fight against deaths from motor accidents extended through 2,265 Highway First Aid Stations.

Public Health Nurses visited a million sick persons; examined 610,000 children.

How to care for the sick in the home and guard the family's health taught 55,000 persons, through Home Hygiene and Care of the Sick courses.

Volunteers made 520,000 garments for disaster victims and the needy; brailled and printed 720,000 pages for the blind.

School children, numbering 9,000,000, enrolled in Junior Red Cross for service.

Your membership in the Red Cross supports the work. Join during the annual Roll Call.

HELPING HANDS—Thousands of women volunteers make possible Red Cross services; Norman H. Davis, new Chairman of Red Cross, thanks a group of loyal workers.

YOUTH SERVES—Junior Red Cross boys and girls view nations on world map where children cooperate for good will.

CHEERING THE SICK—Class in instruction in Home Hygiene and Care of the Sick shows simple ways to ease the pain of the invalid.

LIFE RESTORED—Girls in Red Cross Life Saving class learn how life may be restored to drown victims.

HOME HAZARDS—Red Cross campaigns for safety in the home; falls such as this claim great toll of life.

Lesson for November 13

THE SACREDNESS OF HUMAN LIFE

LESSON TEXT—Exodus 20:13; Matthew 5:21-26, 38-42.
GOLDEN TEXT—Thou shalt not kill—Exodus 20:12. Whosoever hateth his brother is a murderer.—1 John 3:15.

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

The sanctity of human life finds its foundation in the fact that God created man in His own likeness and image. Because that is true no man has any right to take the life of another for any cause except at the direct command of God. Only by the orderly process of law for the protection of society and in accordance with the Word of God may there be any such action by man toward man. Both of these truths are declared in Scripture in God's covenant with Noah (Gen. 9:5, 6), which was made possibly a thousand years before the Ten Commandments were given to Moses.

Life is held rather cheaply in our day. Nations count their boys and girls as only so much "war material." Life is destroyed on the highway, in the shop, or in the home. Let us declare again the solemn command of God, "Thou shalt not kill."

I. The Prohibition of Murder (Exod. 20:13).

The word "kill" in this commandment is one which means a violent and unauthorized taking of life, and is therefore more properly translated "murder." Not all killing is murder. A man may kill another entirely accidentally, or he may be the duly constituted legal officer carrying out the law of the land in taking the life of one who has forfeited his right to live because he has slain another. There is also the right of self-defense, be it individual or collective. But these are the only exceptions; let us not attempt to justify any other.

Murder is too prevalent in our land. In 1936 there were 13,242 outright killings—a murder every 40 minutes. The head of the United States secret service estimates that there are 200,000 persons at large in our land who "have murder in their hearts and who will take human life before they die." Also in 1936 there were 37,800 deaths in automobile accidents. Some of these were by unavoidable accidents, but many were really murder because the one responsible drove with defective brakes, dangerous tires, or while he was intoxicated. Add to these the deaths in industry caused by failure to provide proper safeguards or healthy working conditions, and by the exploitation of child labor, and we say again, that we should cry aloud, "Thou shalt do no murder."

II. The Cause of Murder (Matt. 5:21, 22).

The Sermon on the Mount, from which the rest of our lesson is taken, while it "describes the character of the citizens of the earthly kingdom which the Messiah came to set up" and "assumes a class of people already saved, regenerated, and in fellowship with their King" (James M. Gray), does provide fundamental principles for the guidance of the Christian.

In this matter of murder, Jesus cuts right through the outward aspects of the matter and points out that an angry hatred in the heart is the root of all murder. If we hate, we have murder in our hearts. Circumstances may hinder its fulfillment, but the danger is always there until we remove the cause. Just being angry—calling our brother "Raca" (the modern equivalent of which is "nobody there"), and calling him "thou fool," which classifies him as "morally worthless"—these are the three dreadful downward steps to murder. And they begin in anger. May God help those of us who have strong feelings that we may not yield them to the devil in such anger against our brother!

III. The Prevention of Murder (Matt. 5:23-26, 38-42).

Prevention with God means more than putting up a barrier to keep us from killing. He deals with the heart, and thus puts the whole life right. It is not even a question of how we may feel against our brother. If he has aught against us we are to do all we can to win him. He may be unreasonable, grasping, and unfair. However, the spirit that will win him is not that of retaliation or sullen submission to the inevitable, but rather a free and willing going even beyond what is required.

The full interpretation of this passage is not possible in our limited space. It is clear from other scriptures that it does not mean that wicked and unscrupulous men are to be permitted to defraud and destroy God's people. At the same time, we must not explain away the heart of our Lord's interpretation of this great commandment. Let us seek His grace that we may, like Him, silence by our loving deeds and words even the bitter gainsayers of the gospel.

BOYD CHAPEL CHIRPS

(By Mrs. Earl Brown)

Mrs. Jim Holden is visiting in Fort Worth, Dallas and San Antonio.

Friends of Mr. L. F. Cozzen sympathize with him in the loss of his father, Mr. L. P. Cozzen, who died on Friday, Oct. 28, at his home in Abilene. He was greatly loved by everyone in our community.

Mrs. McNellis returned to her home in Fort Worth this week after having spent several weeks here visiting with relatives and friends.

Miss Mildred Young of Abilene, spent the week end with her parents, Mr. and Mrs. Thompson Young.

Mr. and Mrs. Earl Brown and son, Duane, Mr. and Mrs. W. S. King and Mrs. Viola Brown spent Sunday with Mr. and Mrs. Cloda Hubbard of Tahoka.

Mr. Alfred Dutton is under the care of a doctor this week.

A large crowd enjoyed the singing at the home of Mrs. Ollie Hennington on last Wednesday evening. Three communities were represented—Neinda, McCaulley and Boyd Chapel.

Mr. and Mrs. Ollie Estes and Miss

Cloveta Estes entertained the young and old of our community Monday evening with a Halloween party.

The carnival at Carpenter Gap was quite a success on Monday evening. Those who attended from here were Mr. and Mrs. F. L. Wood, Mr. and Mrs. Dorsey Bingham and Earl Brown and family. The entertainment was under the direction of Mmes. Otis Kyel, Barto Henderson and the writer, who is teaching there.

Mr. and Mrs. Ernest Cozzen and Jack Cozzen of Lamesa are visiting their parents, Mr. and Mrs. L. F. Cozzen and Mr. and Mrs. O. C. Haught, this week.

(The Herald regrets that last week's letter from Boyd Chapel arrived too late for publication.)

CARD OF THANKS

We wish to acknowledge the many manifestations of sympathy shown by flowers and other means by the people of Hamlin and Platt community at the time of our greatest sorrow. Your kindness can never be forgotten.

OTHELL SIPE,

Mr. and Mrs. I. W. Black,

WISE CHAPEL NEWS

(By Catherine Drake)

Old man Winter gave us another visit this week. Got up Monday morning with snow on the ground.

Miss Aurelia Mae Proffitt of Abilene spent the week end with her parents, Mr. and Mrs. A. P. Proffitt. Mr. and Mrs. Jack Harley are the happy parents of a ten pound boy, born Nov. 2. Mr. Harley is one of our teachers.

Mrs. Anna Barrett of Littlefield spent the week end with her parents, Mr. and Mrs. W. L. Fletcher Sr.

Mrs. A. P. Proffitt was called to her daughter, Mrs. Olehon Vaughan of Dovie, that her grandson Jerry Vaughan was worse. He is some better at this writing.

Connie Drake and sisters spent Friday afternoon in Aspermont.

Mr. and Mrs. Jerry Bush of near Post spent the week end with Miss Maggie and Sam Bush.

We are sorry to report that little W. A. Jobe cut two of his toes nearly off with a tin can. At this writing he is just doing fine.

Mrs. Emma Ray Farmer of Abilene spent the week end with home folks, Mr. and Mrs. Earm Jobe and

family. Mr. Farmer is going to school in Abilene.

Mr. Touchstone attended the funeral of his uncle, Mr. J. S. Touchstone of Anson, Tuesday afternoon.

winter OIL-PLATING specifically cuts down on draggy "starts," battery exhaustion and oil extravagance, for these specific reasons:

The Germ Process adds in to this oil a patented man-made substance that sets up a strong force of attraction between Germ Processed oil and every engine surface it touches. Even the upright surfaces instantly attract and hold Germ Processed oil in the form of lasting OIL-PLATING. This OIL-PLATING can never drain down—any more than chrome plating—during the longest, coldest parking. Jones County Boys Are Learning to Do By Doing

Under Direction of Floyd Lunch

County Agent

One hundred and five club boys have completed their records to date. It is anticipated that a number of others will finish their record books during November.

Nugent, Pleasant Hill, and New Hope 4-H clubs are leading the list in completions. Ernest Womack is local leader of Nugent, Hubert Morton is local leader of Pleasant Hill, and D. E. Ricks and O. S. Pumlee are local leaders of New Hope.

Mrs. W. C. Thurman of Corinth Community reports \$172.22 labor income on her flock of poultry which consists at this time of 80 hens, 105 pullets and 24 males.

George Williamson of Anson made a daily gain of .37 pounds per day of his flock of feeder lambs this week. Mr. Williamson stresses accuracy in feeding. The lambs are being weighed at regular intervals. They are fed as near as possible at the same time each day. The feed is weighed and not guessed at. The ration consists of maize and fetereta heads, ground bundles, oyster shell flour, salt and plenty of fresh water.

Seventy-eight thousand acres have been signed up in the Jones County Game Management Association. All members have indicated their interest in getting the markers up before the quail season opens.

R. M. Swenson of Stamford has purchased a stencil and the necessary equipment for making these signs. If you have not become a member of the association be sure to sign one of the agreement forms at the County Agent's office or at Mr. Swenson's office in Stamford. If you will contact Mr. Swenson you may get your signs direct.

A new boys 4-H club was organized at Boyd Chapel with 9 members. The officers are as follows:

Charles Hubbard, president; Clarence King, vice president; Storkey Cozzen, secretary-treasurer; Charles Hubbard, reporter; Wesley Tabb and Thomas Fain, song leaders.

The local leaders are: M. L. Haught and Travis Hubbard. The boys who have decided on their demonstrations have taken the following: Charles Hubbard, swine; Dillard Teel, poultry.

Mrs. Walter W. Harrell, pioneer of the county for the past fifty years, died at her home east of Anson on Sunday night. Survivors are her husband, four sons, George B. Harrell of Anson, E. W. Harrell, Munday; Claude Harrell, Anson; Vernon Harrell, Hamlin; one daughter, Mrs. R. S. Turner of Anson. Funeral services were held Tuesday at 10 A. M. at the Bethel Baptist Church.

J. S. Touchstone, commissioner of precinct four from 1932-36, died at his home in the Truby community Sunday night. Survivors are his wife, two sons; Claude Touchstone of Albany, and J. E. Touchstone of Hawley; three daughters, Mrs. John Shannon of Merkel, Mrs. Charley Shannon of Merkel, Mrs. Charley McCoy of Merkel.

ANSON TO STAGE

POULTRY SHOW

The fifth annual Jones County Poultry Show to be held in Anson December 8, 9 and 10, will include a new feature this year, a separate division for 4-H Club boys. In this division no entry fees will be charged and a number of club boys have already made entries.

In the regular show inquiries about entries have already been received from Wichita Falls, Iowa Park, Snyder, Hillsboro, Muleshoe and other places.

In conjunction with the poultry show there will be a quilt and antique show with the following divisions: quilts, bed spreads, embroidery, curios and antiques, and water color paintings and pencil drawings for ward and high school students.

FARM SECURITY

ADMINISTRATION THIRD QUARTERLY REPORT

The quarterly report of Miss Lee Ann Williams, Home Supervisor, reveals that 10,754 qts of vegetables, 1,468 qts. fruit, 350 qts preserves and jellies, 1,000 qts pickles and relishes have been canned by ninety-two homemakers sending in reports for the past three months. 352 bushels of corn have been stored for making meal and 3,597 lbs. dry peas stored for winter use.

Several families have made outstanding records in the production of subsistence needs. Mr. and Mrs. Thomas Peterson, Rt. 1, Hamlin, have sold \$277.48 worth of produce and paid all living expenses and some farm operating expense since May 1st. They have five cows, 350 hens and pullets from which they have made the above record. Mr. and Mrs. Joe Ford, Avoca, have done exceedingly well with their live at home program. They have sold \$453.27 worth of produce.

Mrs. Henry McEwen, Hawley, has canned 523 qts of vegetables and fruit this quarter. They have made a frame garden and are producing green, leafy and yellow vegetables for family use now.

Several demonstrations are being planned for the near future—mattress making and meat canning demonstrations—stated the supervisor.

McCAULEY M. E. SOCIETY

CELEBRATES 60TH BIRTHDAY

On last Thursday afternoon the Ladies Missionary Society celebrated its sixtieth birthday with a Silver Tea.

We had as our guests the following: Abilene, Mrs. C. A. Bickley, Mrs. Johnny Price, Mrs. Nat. G. Rollins; Anson, Mrs. D. L. Stevens, Rev. and Mrs. C. C. Armstrong; Hamlin, Emma D. Gregg, Mrs. Buren Carlton, Mrs. M. E. Carlton, Mrs. A. H. Carlton; Sylvester, Mrs. Milo Grey, Mrs. W. C. Parmenter, Mrs. J. P. Everheart.

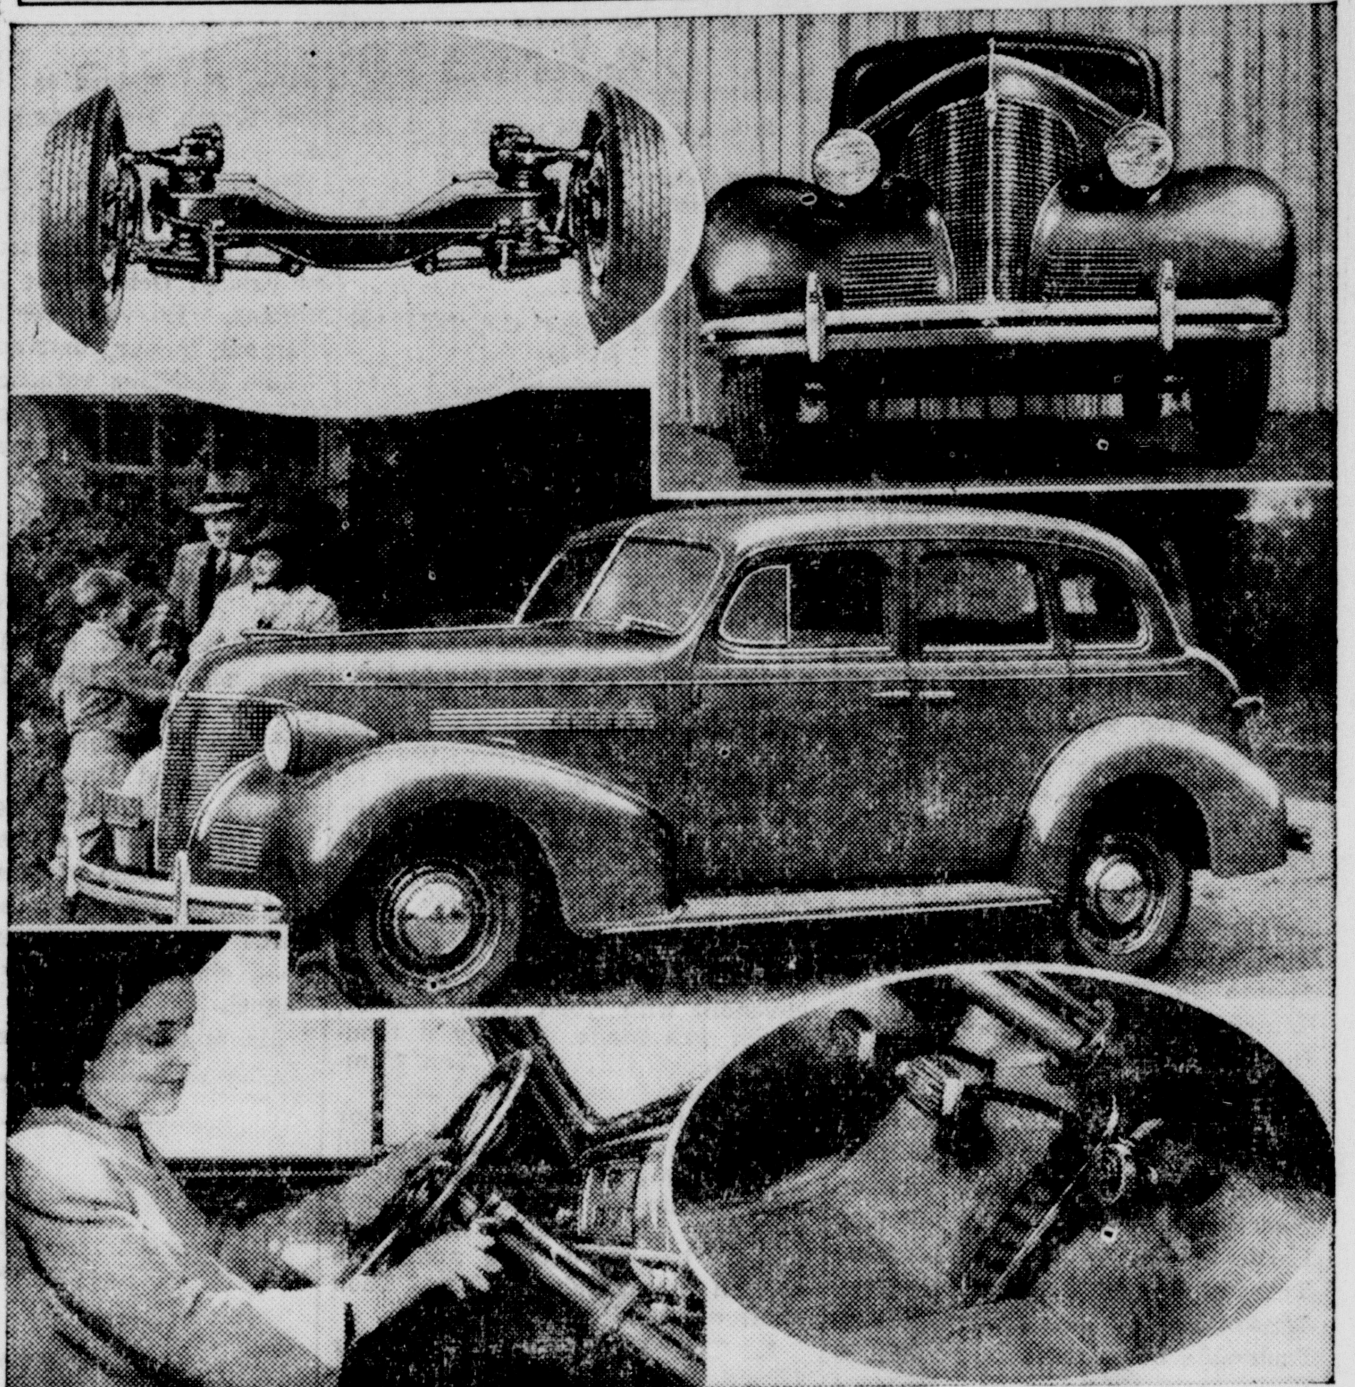

Mrs. C. A. Bickley opened the program with the devotional on "Gratitude," which was very appropriate since the pioneer mothers were being especially honored at this time.

Mrs. Nat G. Rollins gave a most interesting resume of the Missionary work during these sixty years.

Mrs. C. C. Armstrong brought the closing message which was from the Children's Department. She dealt with special studies for our beginners and juniors.

During the refreshment hour music was furnished by Mrs. L. E. Reuter, Mrs. N. D. Miers and Miss Bir-

Chevrolet Takes Big Strides Ahead for 1939

New Aero-stream styled bodies combine with major mechanical improvements to provide new beauty, safety, comfort and operating ease, in the 1939 Chevrolets, presented October 22, and featured at the big auto shows this month. The new models are offered on two chassis, the Master De Luxe and the Master 85, both of which are powered with Chevrolet's famous six-cylinder valve-in-head engine.

A new vacuum gear shift mechanism with steering column control, optional on all models at small extra cost, does 80 per cent of the work of shifting gears. The Master De Luxe series features a new riding system, in which a brand new Chevrolet Knee-Action mechanism is scientifically co-ordinated with new ride stabilizer and double-acting hydraulic shock absorbers to furnish a smooth, soft ride.

Central picture is the new Master De Luxe Sedan. Upper right: front end view of the 1939 car; Upper left: Master De Luxe front suspension unit, complete. Herein Fail Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Anson, Texas this 1st day of November A. D. 1938.

ROBERT CROSS, Clerk,
District Court, Jones County, (2-4t)

Everett Hale once said that we should never attempt to bear more than one kind of trouble at once. Some people bear three kinds—all they have had, all they have now, and all they ever expect to have.

GIFTS FOR HAMLIN HIGH SCHOOL

Hamlin High School has been the recipient of two very appreciative gifts—band uniforms and football blankets. These have been contributed and paid for by the Pied Piper boosters composed of Hamlin business men.

BAND UNIFORMS

Forty uniforms at a cost of \$431.20 have been issued to the members of the Hamlin High School Band. The ownership of these uniforms is vested in the Hamlin Independent School District and they are loaned to the members this session without any rental charge. This favor is extended for the reason each member has been out so much for his own band instruments. At the end of the session all uniforms are to be returned to the school well cleaned and pressed.

FOOTBALL BLANKETS

One of the most pleasing surprises for the Pied Piper football teams was the presentation to them of twenty-two good blankets. Each blanket retails for \$3.50. However, the contributors paid only the wholesale cost. A football player after coming off the field overheated from a hard fought contest certainly needs the use of a blanket to shield him from undue exposure.

HAMLIN SCHOOL LOYALTY

The interest and loyalty manifested so far this session by the citizenry of the Hamlin Independent School District and its adjacent school districts can not be excelled elsewhere. Such an attitude stimulates both pupils and teachers to render their very best service.

THE JUNIOR CLASS GAVE CHAPEL PROGRAM

The Junior class had charge of the assembly program Wednesday, November 9th. The main feature of the program was the club ceremony by the vocational agriculture boys, under the direction of Mr. M. B. Templeton, vocational class sponsor.

Effie Lois McCoy sang "Will You Remember," and "In the Garden of the Moon," accompanied by Mignon Waggoner at the piano. A piano solo "Trees," was played by Maxine Brundage and Craigolene Elmore gave a tap number at the close of program.

Coach Smith gave a pep talk concerning the football game with Colorado Friday and presented blankets to the football boys. These blankets were given to the school by the business men of Hamlin.

ELEMENTARY PTA HELD FIRST MEETING

The Hamlin Elementary P.T. A. met in the first regular session, Thursday, November 3rd at 3:45 P. M., in the Grammar School building, with a splendid attendance.

The meeting was opened with prayer by Mrs. Hanks. The audience was led in singing "America" by Mrs. Mart Farrow.

In the business session, committee reports were given and the question of a box supper, to be sponsored by the Lions Club, was discussed. It was decided that the Elementary P.T. A. would assist in the affair, which will be given on the evening of November the 29th. The program committee presented the following features:

"Grandfather's Clock."

"Buttercups," by the Elementary Choral Club, directed by Miss Harrell.

"Poster Displays," most attractive was judged to be that of the Principal, Mr. Lawlis.

The room having the most paid P.T. A. members was also won by Mr. Lawlis.

The room having the largest number of parents present at a Thursday meeting was also won by Mr. Lawlis.

Freshman's Not So Green in Politics

Leader of the largest freshman class in history of Texas State College for Women is the title accorded Miss Hope Read of Lubbock, who was elected "Frosh Prexy" by 1155 classmates. Miss Read brought a record of many high school activities to college with her, which were used to good advantage by her supporters during the week of stump-speaking and banner-waving before the election. The daughter of Mr. and Mrs. Charles Read, she was chosen out of more than fifty nominees.

THE MOST DANGEROUS PLACE

Believe it or not—the most dangerous place you can be is at home! According to the National Safety Council, the principal causes of deaths from accidents last year were divided as follows: falls, 17,500; burns and explosions, 5,600; poisonings, 1,700; firearms, 800; mechanical suffocation, 1,000; poison gases, 1,100. The grand total was 32,500 deaths—ninety out of a hundred of which were unnecessary, and could have been easily prevented.

The Red Cross, in company with other safety organizations, has been carrying on a drive to awaken the public to the danger of home accidents, and to show how hazards may be easily removed and avoided. Take a look around your own home. Is there a loose rug at the top of a staircase? It may easily cause a fall that will result in long agony in the hospital, or death. Can unlocked medicine cabinets be reached by children? If so, they are in imminent danger of fatal poisoning by such a common first-aid accessory as iodine. Are guns kept unloaded and out of reach of amateur hands?

You can think of many more such vital safety questions. When you do, answer them at once—and not by guesswork, but after a rigorous investigation of every room in your home. And once you've eliminated hazards, keep them eliminated. Remember that a home that is safe today may be filled with dangers tomorrow.

Keep safety in mind at all times— if you want to keep your hands and

L.C. DENTON'S FATHER DIED IN FORT WORTH

The Herald has a letter from L. C. Denton telling that his father passed away last Friday morning. We reproduce a sketch of the life.

"T. H. Denton, 84, father of one of Hamlin's local citizens, L. C. Denton, died unexpectedly early Friday morning, Nov. 4, at his Polytechnic residence, 2742 Avenue E. He was born in Newton County, Missouri, August 22, 1854, where he lived until 1865 when he moved with his mother, brother, the late T. Denton, and sisters in a covered wagon to Grayson County, Texas, his father being a soldier in the Confederate army. Later, the family being joined by the father, removed to Tarrant County in 1870 and thence to Johnson County, settling near his present farm seven miles northwest of Joshua, where he lived until he moved with his family to Fort Worth in 1907, living there until his death.

"He survived by his wife, Mrs. Margaret T. Denton, whom he married September 8, 1875; a son, L. C. Denton, Hamlin; three daughters, Mrs. J. U. Doggett and Mrs. F. R. Walls, both of Fort Worth, and Mrs. W. H. Moore, Frost; a sister, Mrs. Alice Stem, Joshua; nine grandchildren and seven great-grandchildren.

"Funeral services were conducted Sunday at 2 P. M., Nov. 6 at Shannon's Polytechnic Funeral Chapel by Bishop H. A. Boaz. Burial was in Caddo Cemetery, two miles west of Joshua.

"Pallbearers were grandsons; Clarence Doggett, Lubbock; Clifford and Winford Doggett, Fort Worth; B. L. Moore, Irene, Texas; Aldine Moore and J. B. Strain, Frost, Texas. "He acquired farming interests six miles northeast of Hamlin in 1917 which he maintained until his death."

ZONE MEETING OF 75TH MASONIC DISTRICT

A zone meeting sponsored by the committee on Masonic service and education of the grand lodge of Texas, A. F. & A. M., will be held with the Hamlin lodge Monday evening, November 14, 1933, at 7:30 P. M. R. W. Brother Frank Hartgraves, past grand master of the grand lodge of Texas, and a member of the committee in Foreign Correspondence, will be the principal speaker for the occasion. Invitations have been sent to all the lodges in Jones-Taylor counties which comprise the 75th Masonic district, as well as to lodges in nearby districts. All members of this lodge are urged to be present. These zone meetings are held annually, this being the first time that the Hamlin lodge has secured a meeting of this kind. Credit for obtaining this meeting is due to our present D. D. G. M. Bro. E. C. Feagan.

Austin, Texas, Oct. 27.—The polishing of the 82-inch mirror for the McDonald Observatory of The University of Texas has been completed and it "can be safely accepted," according to information received by President J. W. Calhoun from Dr. Otto Struve. Dr. Struve is joint director of the McDonald Observatory, situated on Mount Locke, in the Davis Mountains, and the Yerkes Observatory of the University of Chicago.

"Tests made on October 15 indicate that the great 82-inch mirror is finished," Dr. Struve wrote University officials. "The surface is a paraboloid of 319.66 inches focal length and the actual figure of the glass does not depart from the mathematical shape by more than about one-millionth of an inch. This extraordinary degree of perfection is the outcome of exactly four years of gruelling work of grinding and polishing on the part of C. R. Lundin optician for the Warner and Swasey Company of Cleveland, Ohio. During the past four years astronomers of the University of Chicago's Yerkes Observatory have made many accurate tests of the mirror. But only now are they fully satisfied that the new mirror will be as perfect as their investigations require.

"The 82-inch mirror is at the present time the second largest finished astronomical mirror in the world. It is surpassed only by the 100-inch mirror at the Mount Wilson Observatory, Pasadena, Calif. After the completion of the 200-in. mirror of the California Institute of Technology, the Texas mirror will rank third in the entire world."

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

FLAT TOP-SOUTH SIDE NEWS

(By Nancy O'Neal)

Arrangements are being made to rebuild the South Side school house the storm damaged Wednesday night. Several other minor damages were done in Flat Top and South Side community.

On October 8th Miss Lucy Lee Neal and Mr. Jack Plemmons were quietly united in marriage by Justice of the Peace in Abilene. Mrs. Plemmons is the oldest daughter of Mr. and Mrs. Glynn Neal of West Hamlin and the granddaughter of Mrs. Dora Neal of Flat Top, and Mrs. Belle Maddox of South Side. Mr. Herring is the son of Mr. and Mrs.

Herring of Hitson community.

Mr. and Mrs. Charles Herring were the only attendants. Mr. and Mrs. Plemmons have made their home in Kermit where he will be employed.

Mr. and Mrs. Ora Peppson and son, Jack, of Hamlin, were guests of Mr. and Mrs. Dick Coon of South Side last Sunday.

Mrs. H. C. Smith of Flat Top visited her daughter, Mrs. Frank Barton, Friday.

BRONCHIAL ASTHMA

Just a Few Sips and—Like a Flash—Relief!

Spend a few cents today at any drug store for a bottle of BUCKLEY'S MIXTURE (triple acting)—by far the largest selling cough medicine in all of cold Canada. Take a couple doses at bedtime and enjoy a good night's rest. One little sip and the ordinary cough is "on its way." Continue for two or three days and you'll hear little more from that tough old hang-on cough that nothing seems to help—if not joyfully satisfied—money back.

TAKE TIME TO LIVE

Take time to work—It is the price of success.

Take time to think—It is the source of power.

Take time to play—It is the secret of perennial youth.

Take time to read—It is the fountain of wisdom.

Take time to worship—It is the highway of reverence.

Take time to be friendly—It is the road to happiness.

Take time to dream—It is hitching your wagon to a star.

Take time to love and be loved—It is the privilege of the gods.

Take time to look around—It is too short a day to be selfish.

Take time to play with children—It is a joy of joys.

Take time to be courteous—It is the mark of a gentleman.

Take time to live.
